

# THE GLOBAL GNH FORUM

## Bhutan's living gift to the world Celebrating five decades of Gross National Happiness

**7–12 November 2025 · Bhutan**

### About the Forum

Hosted by the GNH Centre Bhutan under the patronage of Her Royal Highness Princess Kesang Chodren Wangchuck, the Global GNH Forum marks the dawn of a transformative global tradition, one that will reimagine leadership and human flourishing for the 21st century.

In celebration of His Majesty the Fourth King Jigme Singye Wangchuck's 70th Birth Anniversary, the Forum honours visionary leadership that gave the world an extraordinary gift: a model of development rooted in wisdom, ethics, and balance.

The Global GNH Forum convenes an assembly of visionary leaders, policymakers, entrepreneurs, scholars, philanthropists, and young changemakers from across the world. Together, they champion a shared commitment: to advance happiness and wellbeing towards a future grounded in equity, sustainability, and enduring collective happiness.

### Brief Program Information

- Venue: Dungkhar Dzong, Paro
- 8–10 November: Forum sessions, cultural programs, and contemplative activities
- 11 November: Closing ceremony

### Highlights

- Launch of the first Global GNH Forum, where ancient wisdom meets contemporary leadership.
- An invitation to experience a living philosophy that places well-being, cultural integrity, and environmental harmony at the centre of human progress.
- Participants will engage in high-level conversations, spiritual immersion, and moments of collective reflection.
- Traditional cultural ceremonies in celebration of Bhutan's enduring vision of happiness and holistic development.
